ITALY: such a wonderful place!

“My bounty is boundless as the sea,
My love as deep, the more I give to thee,
The more I have, for both are infinite”
“Romeo and Juliet - William Shakespeare”

Italy is one of the most attractive destinations for lovers from all around the world. From the mountains to the lakes and sea, Italy has it all: history, great food and amazing wines. Italy is also known for its distinctive lifestyle of pleasure and indulgence commonly called “La dolce vita”. It’s this special feeling that we would like to convey to the couples who decide to say “yes” in our country.

Le Donne del Lago are based in the Northeast of Italy in the beautiful surroundings of Garda Lake, Verona (the City of Love) and Valpolicella. In this unique setting where water, hills, wineries, mountains are tied together harmoniously, we offer a full wedding planning service.

We will help you choose the best venues and we will plan and arrange everything you need to make your dreams come true. Admin, music, flowers, menu and wine pairings, photo, video.... every aspect of your special day will be considered and taken care in order to fulfill your wishes. Through our love for beauty and attention to details, we will make sure you and your guests can experience the most authentic Italian wedding.
